

Context:

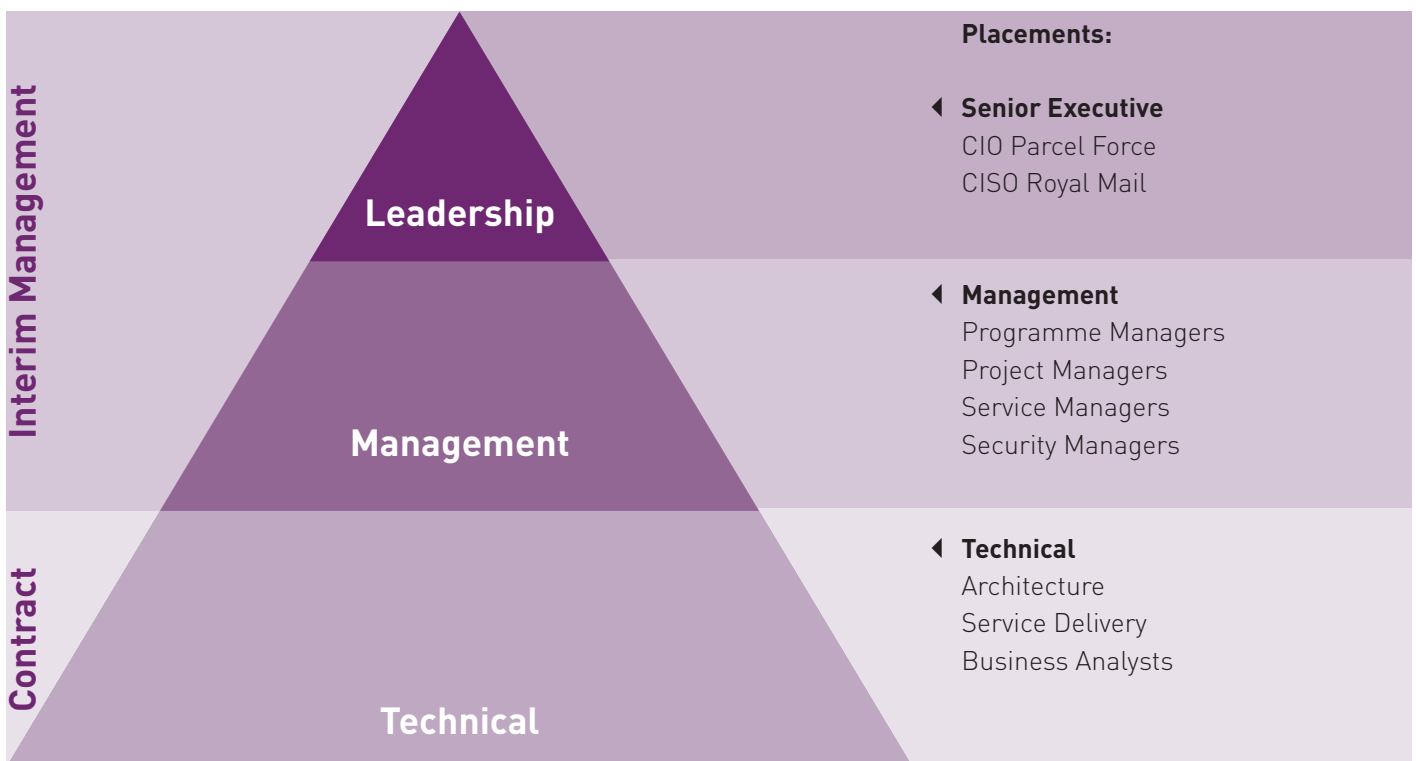

Royal Mail is the UK's designated Universal Postal Service Provider offering delivery six days a week to more than 29 million addresses across the UK. They are a FTSE 100 company, with over 15,000 employees.

La Fosse Associates partnered with Royal Mail to re-design their entire IT Operational model. This managed campaign included sourcing and placing 90+ roles within 3-6 months.

Results:

We placed roles from the top down, on a permanent, contract, interim and executive basis.

Testimonial:

"The quality of people presented to us has been consistently high and subsequently the ratio of interviews to offers is excellent. Ultimately, the success of this project has been a story of effective teamwork together we have produced some outstanding results. In short, I am delighted with the outcome and have nothing but praise for the entire team at La Fosse; thank you!"
